Owing to the best interests of time and students, here is what I intend to cover :

Resume Building:

1. What, how and why of the Resume.
2. Resume Strategies and hacks
3. Using strategies to build the Resume.

Group Discussion:

1. Group discussion tips.
2. What is one scored on.

Interview:

1. Making an impression
2. First 30 seconds of the interview
3. FAQ's of the interview
4. Planning and preparation Hacks.

General purpose:

1. Current situation of the industry.
2. What industry looks inside a candidate.
3. Life building.

Things like body language, gesture posture, common interview questions etc. are covered in the above topics etc. We would also do a much needed question answer round which as per my experience is really helpful for students to open up.
