

Emfinity – The Math Club

EMFINITY, the official math club of KJSCE over the last few years is living up to the vibrant and exuberant expectations of those interested in mathematics by organizing a variety of activities over the due course of the academic years. Students generally feel that Engineering math is tough and of no use in future, this notion had to be removed from everyone's mind and this has been the motive behind forming this math club, to make students fall in love with math again.

REPORT OF ACTIVITIES OF EMFINITY 2017-2018

- EMFINITY organized treasure hunt on 14th September and 22nd September 2017. The event was conducted over the span of two break slots on each day, spread across the Somaiya campus.

Three students were allowed to participate as a team of 3 and around 70 teams participated in this event.

The main aim was to increase their interest in the subject as well as to provide the first years an opportunity to explore the vast campus by solving clues that led towards unnoticed and unseen places within the campus. The winning teams as well as the runners up were felicitated with cash prizes by A.S.Desai Sir.

- EMFINITY organized a Math cum fun event "Castle Math" for 'Abhiyantriki' on 7th October, 2017. The event was conducted from 11pm to 5pm.

The Event comprised of 3 stages and needed participation in a team of two. It was a very successful with a total of around 60 teams participating including students from other colleges as well. The main motive of the event was to make math even more interesting and inculcate all possible fun into it. Prizes awarded to the winning teams were worth ₹ 4000/-.

- EMFINITY also organized an aptitude test on 13th February 2018 open for students from the 1st, 2nd and 3rd year of the college with no registration fee. The event which was conducted from 1pm-6pm brought together a massive crowd of 186 students filled with anticipation and enthusiasm to see where they stand on a GRE style aptitude test.
- The last and main event for the academic year 2017-2018 will be conducted sometime in march, The Game Of Math which is a prime attraction of the club. It will be consist of 4 rounds with active participation from other colleges as well.

Over the past few years, EMFINITY has been gaining reputation as one of the most active clubs of KJSCE, thus getting positive responses and making Math a more friendly and fun topic to deal with.

With the immense amount of hard work put in by the event, tech, PR and creative teams, events of EMFINITY have gained popularity and have become much more successful as compared to the previous years.

Also the guidance from Dr.A.S.Desai sir and Mr.Vinayak Kharpude, active support from Students Council and department staff has helped a lot in bringing Emfinity up to the point it stands at now.
