

PALINOIA

Cultural Dance Team

Annual report 2017-2018

Team Palinoia is the official cultural dance team of K.J.Somaiya College Of Engineering formed in 2017 and finds its roots from the rich culture of India, the classical dance.

1. Team Description

Team Palinoia is a small initiative to bring back the popularity of culture dances of India at the college level. It is an effort to make the youngsters aware and to interest them to learn such beautiful dance forms of our country and continue the history. Palinoia is the first ever cultural dance team over the whole Somaiya Institute.

2. Background

The very idea started off with the ambition of a small group of talented classical dancers, who dreamed to show the world what they can do. The idea was born in the audit course “Classical Dance through Bharatnatyam” aired by our college itself and it was channelized by the professor conducting the audit course. The council would not have been formed without the support of the professor Ms.Nandini Krishnan. It started with the initiative of Ms. Srinidhi Gunjekar as the Chief, Ms. Sunitha Rajagopalan as the Co-Chief and Ms. Hitvena Shah as the organizer. The initiative was boosted with presence and support of Ms.Shilpa Suresh, Ms.Sanchita Shrivatsava, Ms.Greeva Shah, Ms.Aamita Thadeshwari, Ms.Karishma Lakhapate and

Ms.Rucha Bapat. The council was thus formed in February 2017 and the first performance cum inauguration was held in Symphony 2017, Cultural Festival of KJSCE on 6th of February,2018.
