संस्थाध्यक्ष, संस्थान, मुंबई, महाराष्ट्र

A list of activities with KJSSC alumni participation

- 1) **Solicitor VishwanathMannadiar**, is a Member, Board of Management of the college, offered valuable services of his office in registering the association with the Charity Commissioner.
- 2) **Dr.KishnanandHosalikar**, Deputy Director of Indian Meteorological Department has been instrumental in installing a weather station under SAFAR (**System of Air Quality and Weather Forecasting And Research) Mumbai initiative. It is the megacity forecast system for Mumbai developed jointly by India Meteorological Department and IITM Pune, under Ministry of Earth Sciences, and is meant for real time air quality and weather forecasting in the city with the State of the art Automatic Weather Station installed in the campus of KJSSC planned for micro climatic studies of the city,also useful for students.**
- 3) **Capt. PravinHaria**, NCC instructor has been voluntarily working with the institute for the last 35 years. Under his stewardship, 47 boys and 6 girls were motivated to join defence.
- 4) Several alumni are Members of Board of Studies of various subjects and help in designing of the curricula under autonomy.
- 5) **Dr.RanjanMogre** (alumnus 1979 batch)arranged for training the post graduate students of the **Department of Chemistry**, to appear for interviews and shortlisted a few candidates for the post of trainee chemists in the March 2014.

- 6) The **Department of Chemistry** conducted workshop on "Safety in chemical laboratory" on 19th December, 2015. The inaugural talk was by **Mr. Vasistha Javkar**, Manager (Safety), HPCL, on the role of Personal Protective equipment in Chemical Laboratory.

- 7) The **Department of Chemistry**, organized "Rasayan 2015" an intercollegiate fest on 21st November 2015. One of the alumni **Dr. Ranjan Mogre** sponsored the prizes for various events.

- 8) The **Department of Microbiology**, has successfully organized a lectures series '**Enriching Expressions: Learning from the Alumni**'. This series of lectures was the outcome of the thought that the alumni have an irrevocable bonding with the department, experience to share with the young current students, and commitment to contribute to the society.
 - i) The first lecture was by **Mr. Kumaraswami Sivan**, Deputy General Manager, IRIS Healthcare Technologies Private Ltd., Mumbai who enlightened the students about 'Competency based approaches for challenges facing Microbiology & Biotechnology graduates' on 12th July, 2014.

 - ii) **Dr. Shabari Sarang**, Principal Scientist, Reliance Life Sciences Private Ltd., Navi Mumbai addressed the students and elaborated the topic 'Stem cells and Scope of Stem cell research in India.' on July 19, 2014.

 - iii) On 28th August, 2014 **Dr. Neelima Khairatkar-Joshi** currently the Senior Vice-President, Glenmark Research Centre, India spoke on "Innovative therapeutics: Today, Tomorrow and Thereafter.....".

iv) The fourth session was conducted on September 15, 2014 by a student of the first batch of microbiologists from Somaiya College **Dr. Vilas Sinkar**, now Sr. Vice President, Hindustan Unilever Research, Bangalore. He introduced the new upcoming field of Microbiomics.

- 9) A **grand felicitation function of former Principal P. M. Rao** was organised in the campus by the alumni after he completed eighty years.
- 10) Several alumni meetings were held to arrange for these gatherings.
- 11) The alumni have wholeheartedly participated in the meetings of audit by the NAAC peer team in the accreditation process.
- 12) **Mrs.RashmiMokashi**, delivered a motivational lecture for the post graduate students on 2nd December 214. She also taught them techniques of relaxation and meditation to help them in concentration.
- 13) A talk on 'Taking up Management studies after Graduation/Post-graduation in biological sciences' by **Miss. HimaniChowhan** an alumna was organised by the **Department of Biochemistry** for T.Y.B.Sc and M.Sc students on 3rd July '2014.
- 14) A seminar on 'Career in Clinical Research' by **Miss. PoojaDalvi** was organized by the **Department of Biochemistry** for T.Y.B.Sc and M.Sc students on 3rd July '2014

- 15) A talk was given in the **UGC sponsored Refresher course on Environmental Sciences** by **Dr.RanjanMogre** on "Modern Extraction technologies, Formulation Development and Monitoring" on 22nd October 2015,in the Somaiya Campus.

Future activities:

- **Enriching expressions (to be continued)**
- **Training program to students**
- **Increasing KJSSCAA membership**
- **Felicitation of eminent alumni**
- **Feedback of alumni activities.**
